## USAID International Government Integrity and Anti-Corruption Technical Assistance Services IQC

### IQC Overview

The Louis Berger Group is a subcontractor to DPK Consulting under the USAID International Government Integrity and Anti-Corruption Technical Assistance Services IQC, which assists USAID in strengthening governmental integrity and combating political and bureaucratic corruption. A comprehensive range of services are offered under this IQC, including diagnostic analysis, needs assessment, strategy formulation, training, program implementation, monitoring and evaluation.

Because DPK Consulting is a small business under the IQC, USAID offices and missions may issue task orders directly to DPK Consulting for services at any of the three tiers of activity specified in the IQC without further competition.

### IQC Technical Areas

- Public Financial, Administrative and Regulatory Measures
- Transparency Initiatives
- Civil Society Advocacy, Education and Monitoring
- Audit, Procurement and Other Public Sector Capacity Strengthening
- Integration of Governmental Integrity and Anti-Corruption Dimensions into Sector and Sub-Sector Programs and Activities

### Berger Group Expertise / Selected Experience

As a member of the DPK team, Berger can help USAID achieve sustainable results in economic growth (such as trade and investment, private sector development and privatization); environmental protection; social services (such as health and education); and democratic governance (such as legal and regulatory reform, public procurement, tax and customs administration, legislative oversight, administration of justice, decentralization and local governance).

In particular, The Berger Group offers proven expertise in transparency and public procurement, privatization and restructuring, civil society strengthening and public sector capacity building. Representative Berger projects include:

- **Iraq:** IZDIHAR Private Sector Growth and Employment Generation Project
- **Nicaragua:** Efficiency and Transparency Program for State Contracts and Procurements
- **Nicaragua:** Inspection of Projects in the Program for Efficiency and Transparency in State Acquisitions and Contracting
- **Philippines:** Growth with Equity in Mindanao Programs (GEM and GEM 2)
- **Macedonia:** Community Self-Help Initiative
